Practice areas

[Tax](#)

Lenni Hangaard Jensen specialises in tax law.

Lenni finds solutions to complex challenges within a broad spectrum of tax law issues, including corporation tax, personal tax, international tax law, transfer pricing, and general commercial law.

Also, Lenni fulfils the role as Kromann Reumert's tax law knowledge ambassador, which means that he is responsible for strengthening internal and external sharing of tax law knowledge and for optimising work flows and procedures in cases involving tax law.

In addition to his work as an attorney, Lenni is a PhD student at Aarhus University, lecturing and researching on tax law.

Finally, Lenni is the author and co-author of a number of professional articles on tax law issues, both in Danish and international journals.
