

Christina Melstrup Toft

Director, Advokat (Aarhus)

Christina Melstrup Toft specializes in commercial litigation and arbitration.

Commended for her commercial mindset, Christina advises on all aspects of dispute resolution, from the beginning of a dispute, settlement of disputes, commencement and conduct of litigation and arbitral proceedings, and, if necessary, enforcement of the judgment or award.

She always seeks to solve disputes in a fast and efficient manner, causing as little nuisance as possible to the client while maximising the potential return.

Christina is a part of Kromann Reumert's dispute resolution group, and is, furthermore, Kromann Reumert's knowledge ambassador in the field of Litigation and arbitration. As such, she is responsible for promoting and sharing knowledge within the field, both internally and externally.
