Marie specialises in company law, business transfers and general commercial law.

Marie offers expert advice on all company law matters, including restructurings, national and cross-border company transactions, capital structures and corporate governance. Marie also has a strong track record of assisting i.a. listed companies in connection with their general meetings, including virtual general meetings.

She is a very dedicated adviser, who takes pride in providing clients with a structured process, offering commercial and practical solutions.

Marie is also Kromann Reumert's knowledge ambassador in the field of company and foundation law. As such, she is responsible for promoting the sharing of knowledge of the field, both internally within our organisation and with the outside world.

High-profile cases

Marie has i.a. assisted clients in the implementation of the necessary pre-closing restructuring in connection with the following transactions:

- Nets' divestment of its corporate services division to Mastercard, including in relation to the implementation of a cross-border demerger.
- Ørsted's divestment of its power distribution (Radius), street lighting, electricity and gas retail sales business to SEAS-NVE.
