

## Mads Dreyer Laursen

Partner (Copenhagen)

Mads has extensive experience advising on a broad range of matters relating to private equity and venture capital, including fund formation, investments in alternative investment funds, secondary transactions, co-investments, direct investments, incentives, and regulatory matters.

Mads also provides advice to clients regarding joint venture structures and direct investments made through private equity-like structures.

He also has extensive experience and expertise with Danish corporate law and M&A (mergers and acquisitions).

Over the years Mads has advised a variety of Scandinavian-based private equity and venture funds and has also assisted several institutional investors with investments in alternative investment funds.
