Practice areas

[Insolvency and Restructuring](#)

Maja Marlene Jensen specialises in restructuring and bankruptcy processes and in voluntary (out-of-court) arrangements with creditors.

Clients seek her discerning input into all aspects of insolvency law. She assists financial institutions in the handling of defaulting loans. Over the years, she has also been responsible for a large number of restructuring and bankruptcy processes, compulsory dissolutions, debt rescheduling arrangements and voluntary arrangements with creditors - always taking a cost-conscious approach.

In addition to her work as legal advisor, Maja is also knowledge ambassador within insolvency and restructuring. It means i.a. that she is responsible for strengthening internal and external knowledge sharing, making work flows more efficient, and streamlining insolvency litigation processes.
