Practice areas
[Insolvency and](#)
[Restructuring](#)

Anders Høgsgaard Madsen advises on a broad spectrum of insolvency and restructuring issues. His experience is sought especially by banks and financial creditors.

Anders advises primarily Danish clients on the legal aspects pertaining to insolvency and restructuring, for example in the handling of defaulting loans and companies in bankruptcy.

Always favouring a structured and solution-oriented approach to each case, Anders strives to deliver value-adding solutions with a keen commercial awareness.
