

Oliver Machholdt

Partner (Copenhagen)

Oliver Machholdt specialises in transactions, contracts and regulatory matters in the Life Science industry.

He advises Danish and foreign clients on transactions, contracts and regulatory matters in relation to biotech, pharmaceuticals, medical devices, medicinal cannabis, and food products. He receives particular acclaim for his knowledge of the Life Science industry.

He is an experienced adviser in complex international transactions involving pharmaceuticals and medical devices and the drafting and negotiation of commercial contracts such as service agreements, licence agreements, manufacturing agreements and supply agreements.

Oliver also assists clients in the Life Science industry on regulatory issues, including relating to authorisations, clinical trials, cooperation between the industry and healthcare professionals, and advertising of pharmaceuticals and medical devices.
