Practice areas
[Information Technology](#)
[Outsourcing](#)

Nete Heidelberg Løvschall provides advice and assistance primarily within the fields of outsourcing, technology and cybersecurity.

By way of example, Nete assists undertakings in complicated purchasing processes, including drafting and negotiating IT and outsourcing contracts.

Nete has previously been engaged in litigation and arbitration of liability claims, transport and construction law issues. Therefore, she also draws on her dispute resolution skills when advising on outsourcing, technology and cybersecurity matters.
