Practice areas

[Corporate and Foundation](#)

[Law](#)

[M&A](#)

Mikkels is mainly engaged in domestic and cross-border M&A transactions, including due diligence procedures and drafting of corporate documents.

Furthermore, he advises on finance law, general corporate law and capital markets law, including IPOs and incentive schemes.

He has previously been engaged in tax law, insolvency and restructuring law and therefore also draws on that knowledge and experience in his daily work.
