

Johannes Kappel Buhl

Assistant Associate, Advokatfuldmægtig (Copenhagen)

Johannes Kappel Buhl specialises in outsourcing, technology and cybersecurity

Johannes advises in matters relating to technology and digitisation, including assisting in drafting and negotiation of IT and outsourcing contracts. Johannes additionally advises on IT regulatory and security issues related to the development, use and supply of IT solutions and digital infrastructure.

Johannes is experienced in advising on transactions, including assisting in initial structuring of the process, conducting legal due diligence, drafting transaction documentation and coordinating and managing complex projects involving many participants and areas of expertise.

Johannes additionally has a background in IP law and is therefore experienced in advising on complex intellectual property law issues, including trademarks, copyright and patent law.
