Practice areas

[Corporate and Foundation](#)

[Law](#)

[M&A](#)

Frederik Palle Nielsen specialises in mergers and acquisitions (M&A), contracts, and company law.

Frederik advises Danish and foreign clients on legal and commercial matters in connection with the purchase and sale of companies, assisting with the M&A process and drafting and negotiating various transaction documents. He also advises on corporate restructurings, ownership, and group structures.

In addition, Frederik provides advice on general commercial and company law matters.
