Manus Dennison advises Danish and international business on all aspects of energy project financing.

Manus advises on energy project financing, as well as financing generally. He supports all sides of project finance transactions.

Originally from Ireland, he has previous experience in regulatory advisory, legal technology, and all aspects of startup-law from his time at firms in both Ireland and Denmark.

Manus holds degrees from Dublin and Copenhagen (Cand.jur.), is an Attorney-at-Law (Admission Pending) in New York, and is a part of the international team at Kromann Reumert.
