

## Line Berg Madsen

Partner (Copenhagen)

Line Berg Madsen advises on legal ESG issues, due diligence, responsible investment, and business regulation where compliance or sustainability plays a role.

Having assisted numerous private equity funds and other investors as well as industrial and financial undertakings, Line is an experienced and highly valued adviser. Line has over the years gained particular knowledge of compliance and corporate social responsibility, and with tighter regulation and greater stakeholder focus on ESG she has increasingly acted in matters involving due diligence, responsible investment, sustainable finance, and EU sustainability legislation.

She advises clients on compliance and ESG issues, focusing on ESG as a value-adding factor. Line has particular experience in ESG management and reporting, from the implementation of policies and processes in business operations to due diligence and risk assessments in connection with investments and transactions.
